

As a citizen of New Jersey, it's very important to me that we maintain the higher standards of the New Jersey Do Not Call law. If I opt out of a marketing pool, it doesn't matter whether I've done business with a company in the last year and a half. I don't want them using my phone as a profit center. Period. Please allow New Jersey to maintain it's Do Not Call law.

Thank you,  
Rebecca Gardner
